

Wonderful Worcestershire at Brockencote Hall - 25/28 July 2022

Like Coca-Cola, when you have a winning formula, stick with it! As with stunning Stapleford two years ago or magical Mallory last summer, we are planning a similar event ending with our Annual Concours and a barbecue. But this year, for even more time together, it will be for three nights with dinner each evening. Based at Brockencote Hall, DY10 4QA, near Kidderminster, we have taken the entire hotel with ample, safe parking in its 70 acres and a special area for the Concours itself.

We look forward to welcoming you with tea/coffee from 3.30 pm onwards on the Monday, allowing you time to settle in after a couple of hours drive, to relax and socialise ahead of dinner. We shall meet for drinks in the bar at 7 pm, dress informal. The plan for the second day (Tuesday) will be to visit a couple of stately homes in the area, including a light lunch at the first one, allowing time after visiting the second venue to return to our hotel to relax and prepare for dinner (as above). The next day will embrace a 100-mile scenic, and not too challenging, drive around the Black Hills of Malvern, with a stop at an appropriate hostelry for lunch (own expense), before completing the circuit and once again returning to Brockencote Hall. Arrangements will be the same as above except that the dinner will be something rather special - dress will be lounge suits but not black tie.

Round tables of 8 guests in a dedicated dining room

The costs will be £1,218 per couple, all inclusive for four days (three nights), with optional upgrades. The dates are Monday 25 July, arriving mid-afternoon in time for tea, until Thursday 28 July, departing after the Concours trophy presentations and a barbecue lunch. These dates have been chosen to hopefully ensure warm, dry and sunny weather (!!), well clear of other 20 Ghost Club events and based at a Relais et Chateau hotel virtually at the epicentre of England.

There are only 20 bedrooms available, so please book quickly by sending a one third deposit of £406 to Philip Hall, our Treasurer. A second tranche of the same amount will be asked for on 1 March (plus any room upgrade amount - £300 for a Feature Suite (see photo above); £150 for a Master Room), with the balance of £406 due on 1 July.

Please email me your entry form in order to be included to brianhfidler@aol.com before 7 January 2022.
