A FUN DAY AT BROOKLANDS

Brooklands Rd, Weybridge Surrey KT13 0QN

SUNDAY 7th MAY 2017

Early Racing Cars on the famous banking

**1974 BAC Aerospatiale Concorde
1st British Production Aircraft**

Brooklands is arguably the most famous and historic home of both motoring competition and early aviation. It houses not only the fabulous museum of cars but also a fascinating collection of aircraft from early bi-planes to Concorde. The motor circuit (or race track) was the first purpose-built banked motor race circuit in the world. The track was opened on 17th June 1907 with a luncheon attended by most of Britain's motor manufacturers, followed by an informal inauguration of the track by a procession of 43 cars, one driven by Charles Rolls.

Following on the heels of last year's Sandhurst event, we have planned a day to include a few untimed driving challenges; an opportunity to ascend the Test Hill (352 feet long, with an average gradient of 1:5) and to try out your courage on the remaining part of the original Members Banking.

The emphasis is on pleasure and relaxation - the low key Tests are entirely optional - with a jolly good catered lunch in the Historic Club House. Also included in the cost per person is the opportunity to look around all of the museum's halls and workshops, both cars and aircraft, with ample onsite parking.

The all inclusive cost is **£48 PER PERSON**, the only extra being your individual choice of wine or beer with lunch. Tea/coffee (also included in the price) will be available from 10.30 am and we plan to finish by no later than 4.00 pm.

Note: Brian Fidler has made the arrangements with Brooklands and Graham Tyson will process the bookings.

Places are limited because of the size of the Club House dining room so please book early by completing the attached form and sending it to Graham Tyson, with your cheque payable to: "The 20-Ghost Club Limited". If you are paying electronically please advise Graham by e-mail: gtyson@outlook.com with copy to Philip Hall pah.rr@btopenworld.com
