Merimbula NSW 16th to 22nd September 2018

The take time, relax, breathe easy, eat well tour.

Set almost midway between Sydney and Melbourne, with easy access from Canberra, Merimbula is beautiful ocean beaches and tranquil coastal lakes.

Merimbula is an enchanting seaside town on the sparkling Sapphire Coast.

Wonderful things to do and see include a range of water sports, whale watching, exploring an aquarium and wildlife sanctuary, and tasting delicious fresh seafood.

On Australia's Oyster Coast, Merimbula is derived from a local Aboriginal word meaning 'two lakes', a reference to Merimbula Lake on the southern side of the town and the smaller Back Lake on the northern side.

Let's spend quality time together, do some interesting short runs and enjoy excellent cuisine. The accommodation is modest but well reviewed (3 star) and self booking.
