Lunch right on the water looking across to Cockatoo Island and the western side of our harbour. Plenty of room to display our cars where we can see them as we eat. Excellent Bistro food and club prices. Get your car out - give it a bit of a polish and check the oils and bring it out during the week for the short run to Drummoyne. James Brigden will ensure gates will be open for you to park on the lower carpark. The cars will be back in the garage before the peak hour - great central location right next to Birkenhead - take the opportunity to make a great day of it. See you there!
